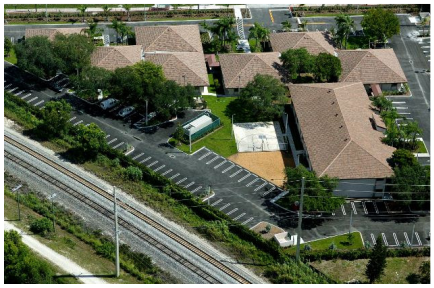
PAVING THE WAY TO END HOMELESSNESS

The Homeless Resource Center

For the first time ever, Palm Beach County will have a single entry point location to connect homeless individuals to housing. This "Housing First" model is the primary goal of the center…getting individuals and families into homes. It recognizes ***that housing is a basic human right that should not be denied to anyone.***



The vision and scope of assistance at the HRC is even broader. From the time a guest enters the front door at the Homeless Resource Center, they will receive a diverse offering of quality services and referrals with the specific goal of restoring each homeless individual to a self-sufficient and productive lifestyle.

The Homeless Resource Center is a part of Palm Beach County's **Ten-Year Plan to End Homelessness**. This comprehensive plan, initiated as a community response to mounting homelessness, creates a system intended to address and completely eliminate involuntary homelessness in ten years.

Bricks will be incorporated into the walkway of the HRC Serenity Garden. By purchasing a commemorative brick, you will leave a lasting mark on the efforts to end homelessness in Palm Beach County. Please join us in this unique partnership of business, non-profit, government, formerly homeless, and the community-at-large to make a difference in other people's lives.
