Mayor's Ball 2015 : An Enchanted Evening

Guests experienced an enchanted evening at the second annual Mayor's Ball. A magical atmosphere of trees filled with twinkling lights, butterflies and characters dressed as living flowers greeted the 560 attendees.

The February 28th event at the Palm Beach County Convention Center raised about \$225,000 for Homeless Coalition programs, including Rapid Re-housing and Creating Choices Vouchers which pay rental deposits to move those who are experiencing homelessness or living in temporary housing into permanent homes.
